"Seeking a Revival of Classical Christianity"

October 7, 2018

Dear Pastor,

All Christian Greetings!

Firstly, thank you for your continued support of Missionaries Brian and Angela Pratt in India. It is because of you that they have been able to remain active and effective on a difficult mission field in planting churches, training national Indian pastors and preaching the gospel.

Due to an increased tax burden imposed by the Indian government, the Pratts are over \$1000 a month short in needed support to remain on the field.

I have recommended that the Pratts return to the States to visit and report to their supporting churches and to raise additional support. They are planning to return to the States in February 2019 and stay in Smyrna, Delaware while they seek to raise additional support.

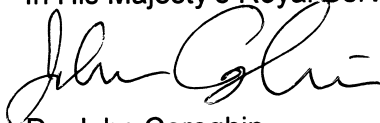

It is their intention to return to India as soon as they raise the additional support, which hopefully will take no more than 12-18 months. They are not coming off the field but have every intention of returning to India.

I would ask that you would continue your support of the Pratts during this furlough period, and if you know of any churches in your area that might be interested in adding the Pratts to their missionary program that you would let us know. The sooner they can raise the additional support they need, the faster they can return to India.

For more information, you can contact me at the address above, via email at pastor@pilgrimway.org or by phone at 302-359-6447.

Thank you for your time and consideration.

In His Majesty's Royal Service
